### VOTER DATA PURCHASE PROCESS

Voter registration lists are available for county-wide and/or political subdivision voters in alpha or walking list format. Lists of voters participating in elections for the last ten years, (primary and/or general) are available. All information, whether on disk or hard copy is in Excel or csv format. You may find general information, lists of polling places, political jurisdictions and election results at [www.electionsunioncountyttn.com](http://www.electionsunioncountyttn.com) or <https://tn.sos.org/elections>.
